		Clashes	Clashes	Clashes	Clashes	Clashes

EXAM INFORMATION AND EXPECTATIONS

Information:

- All exams will take place in room G47 on the ground floor (unless a specialist room is required).
- All timetabled lessons will be collapsed, and this time will be used for revision, therefore if you do not have an exam, you will be expected to be in the study area / library revising or finishing coursework if all your exams have been completed.
- Bags and Mobile phones are not permitted in the exam room – another room will be available to put them in (although valuable belongings will be at your own risk).
- If you have an exam clash – it is **your** responsibility to arrange to sit the other paper during one of the exam clash sessions.

Coursework:

- **ALL** Y12 and Y13 BTEC Health & Social Care, BTEC Science and A-Level Product Design students must attend the coursework drop-down day on Friday 30th November.
- It is **your** responsibility to find out where sessions are taking place and the work you need to bring prior to the date.
- If you study more than one of these subjects, you need to agree with your teachers which periods you need to attend for each subject. Again, this should be done prior to the drop-down day.
- These sessions are **NOT** optional.

Exam Expectations:

- You will be expected to line up outside the exam room along the corridor, you will not be allowed to enter the room unless instructed to do so.
- All exams will start promptly, **if you arrive late then you will not be allowed to sit the exam**. This will then be followed up with your parents.
- **You must be in appropriate uniform** – otherwise you will not be allowed to sit the exam. This again will then be followed up with your parents.
- Make sure you are equipped for the exam – including calculator, protractor, compass, ruler, colour pencils where necessary. **DO NOT EXPECT TO BE PROVIDED WITH THESE.**
