A great opportunity has opened for an enthusiastic Learning & Pastoral Support Coordinator.

We are looking for someone with experience of working with students who is patient and caring to work with children within the ASD Base of St John Bosco Catholic Secondary School.

St John Bosco College sets high expectations for its students. This is a great opportunity to join a dynamic and friendly teaching team. It is also an opportunity for career development as the school offers a regular training programme. As a Learning & Pastoral Support Coordinator you will:

Previous experience of supporting secondary aged students with SEN needs is essential. You must have good literacy and numeracy skills. You must be committed and reliable with excellent communication skills along with a calm, patient, and empathetic nature.

It is also an opportunity for career development as the school offers a regular training programme including access to NVQ qualification for Teaching Assistants.

Applications are invited from those with good interpersonal skills and experience in supporting young people with Autism. Completed application should be returned to the school either by email or post. CVs are not accepted. Please note that if you complete the application form on an Apple Mac you must use 'Adobe Acrobat Reader' (you can get it here: <http://get.adobe.com/uk/reader/> ) and not the 'Preview' application that comes with the computer due to an incompatibility.
