Dear Parents

As part of our home/school agreement we ask that all children arrive at school 'ready to learn'. This includes coming to school in full school uniform (including a tie), bringing in appropriate books and stationery, their communication logs and their ID cards.

At this point in the school year when some items have been lost or forgotten it can be tempting not to replace these items until the new academic year. However, pupils who fail to arrive with this basic equipment are put at a disadvantage - for example, those students without ID cards cannot pay for items in the school canteen and consequently miss out on a meal at the middle of the day.

If there are financial circumstances that prevent you from providing your child with these items please contact Margaret Ansley, my PA, on 020 7924 8326 to discuss how we might support you. Otherwise, can I ask for your continued support in ensuring that your child is fully equipped and ready for school each day.

Yours faithfully
