Purpose of the policy

The centre is committed to ensuring that the exams management and administration process is run effectively and efficiently and in compliance with the published JCQ regulations and awarding body requirements.

This exam policy will ensure that:

- all aspects of the centre's exam process are documented, supporting the exams contingency plan, and other relevant exams-related policies, procedures and plans are signposted to
- the workforce is well informed and supported
- all centre staff involved in the exams process clearly understand their roles and responsibilities
- all exams and assessments are conducted according to JCQ and awarding body regulations, guidance and instructions, thus maintaining the integrity and security of the exam/assessment system at all times
- exam candidates understand the exams process and what is expected of them

This policy is reviewed annually to ensure ways of working in the centre are accurately reflected and that exams and assessments are conducted to current JCQ (and awarding body) regulations, instructions and guidance.

This policy will be communicated to all relevant centre staff.

Centre staff will be informed of this policy by email and will be able to access it on the SJBC website. Inset and staff meetings will also be used to communicate to staff the Centre's examination policies.

Roles and responsibilities overview

The head of centre is the individual who is accountable to the awarding bodies for ensuring that the centre is compliant with the published JCQ regulations and awarding body requirements in order to ensure the security and integrity of the examinations/assessments at all times.

The examinations officer is the person appointed by the head of centre to act on behalf of, and be the main point of contact for, the centre in matters relating to the general administration of awarding body examinations and assessments.

The head of centre may not appoint themselves as the examinations officer. A head of centre and an examinations officer are two distinct and separate roles. [\[GR 2\]](#)

Head of centre

- Understands the contents, refers to and directs relevant centre staff to annually updated JCQ publications including:
 - [General Regulations for Approved Centres \(GR\)](#)
 - [Instructions for Conducting Examinations \(ICE\)](#)
 - [Access Arrangements and Reasonable Adjustments \(AA\)](#)
 - [Suspected Malpractice in Examinations and Assessments \(SMEA\)](#)
 - [Instructions for conducting non-examination assessments \(NEA\)](#) (and the instructions for conducting coursework)
 - [A guide to the special consideration process \(SC\)](#)
 -
- Ensures the centre has appropriate accommodation to support the size of the cohorts being taught including appropriate accommodation for candidates requiring access arrangements for exams and assessments

- Takes responsibility for responding to the National Centre Number Register annual update (administered on behalf of the JCQ member awarding bodies by OCR ocr.org.uk/administration/stage-1-preparation/ncn-annual-update/) by the end of October each year confirming they are both aware of and adhering to the latest version of the JCQ regulations and signs and returns the head of centre's declaration which is then kept on file for inspection purposes

Head of centre declaration

The location of the 2019/20 declaration is filed within the examination policies filing box ready for the JCQ inspection. (The file is in the Examinations Office).

Note: All heads of centres will be required to confirm, on an annual basis, that they are both aware of and adhering to the latest version of these regulations. This confirmation is managed as part of the National Centre Number Register (NCNR) annual update (see section 5.3, page 14).

A head of centre cannot delegate this responsibility to a member of the senior leadership team or the examinations officer.

A signed copy of the head of centre's declaration for the academic year 2019/20 must be held on file, available for inspection, as it will be an integral part of the centre inspection. An electronic version of the head of centre's declaration, with an electronic signature, is permissible.

Note: Failure to respond to the NCNR annual update, and/or the head of centre's declaration, will result in your centre status being suspended, your centre not being able to submit examination entries and not receiving or being able to access question papers. Ultimately awarding bodies could withdraw their approval of your centre. [\[GR 1\]](#)

[GR 5.8]

Legislation on sharing information

Under the principles of the General Data Protection Regulations 2018 and the Data Protection Act 2018, children and young adults can assume control over their personal information and restrict access to it from the age of 13.

This suggests that candidate consent should be sought to share results or other exams-related information with a third party.

Other legislation and guidance may need to be taken into account regarding sharing information with parents, as example information from the DfE for schools regarding parental responsibility and school reports on pupil performance:

- Understanding and dealing with issues relating to parental responsibility www.gov.uk/government/publications/dealing-with-issues-relating-to-parental-responsibility/understanding-and-dealing-with-issues-relating-to-parental-responsibility
- School reports on pupil performance www.gov.uk/guidance/school-reports-on-pupil-performance-guide-for-headteachers

[GR 5.4]

- Ensures the relevant awarding bodies are informed of any **Conflict of Interest** where
 - a member of centre staff is taking a qualification at the centre which includes internally assessed components/units (taking at the centre as a last resort where unable to find an alternative centre)
 - a candidate is being taught and prepared for a qualification which includes internally assessed components/units by a member of centre staff with a personal connection to the candidate
- Maintains records that confirm the measures taken/protocols in place to mitigate any potential risk to the integrity of the qualifications affected by the above, and where
 - a member of exams office staff has a personal connection to a candidate being entered for exams and assessments at the centre or at another centre
 - a member of centre staff is taking a qualification at the centre which does not include internally assessed components/units (taking at the centre as a last resort where unable to find an alternative centre)
 - a member of centre staff is taking a qualification at another centre
- Ensures other relevant centre staff where they may be involved in the receipt and dispatch of confidential exam materials are briefed on the requirements for maintaining the integrity and confidentiality of the exam materials

All staff are contacted during the autumn term to provide details of any possible “conflict of interest”. A record is kept and any relevant details are passed onto the awarding body concerned. Staff are not entered for qualifications within the Centre without contacting the exam board concerned and evidence from the member of staff that they have exhausted all avenues to take the examination at another centre.

It is the responsibility of the head of centre to ensure that his/her centre... manages Conflicts of Interest by informing the awarding bodies, before the published deadline for entries, of:

- any members of centre staff who are taking qualifications at their own centre which include internally assessed components/units;
- any members of centre staff who are teaching and preparing members of their family (which includes step-family, foster family and similar close relationships) or close friends and their immediate family (e.g. son/daughter) for qualifications which include internally assessed components/units; and

- centre staff are taking qualifications at their centre which do not include internally assessed components/units;
- centre staff are taking qualifications at other centres.

The head of centre must ensure that the records include details of the measures taken to mitigate any potential risk to the integrity of the qualifications affected. The records may be inspected by a JCQ Centre Inspector and/or awarding body staff. They might be requested in the event of concerns being reported to an awarding body. The records must be retained until the deadline for reviews of marking has passed or until any appeal, malpractice or other results enquiry has been completed, whichever is later.

Note: Heads of centre must note that entering members of centre staff for qualifications at their own centre must be as a last resort in cases where the member of centre staff is unable to find another centre. The head of centre is responsible for ensuring that proper protocols are in place to prevent the member of centre staff having access to examination materials prior to the examination and that other centre staff are briefed on maintaining the integrity and confidentiality of the examination materials. The head of centre must ensure that during the examination series the member of centre staff is treated as per any other candidate entered for that examination, does not have access to examination materials and does not receive any preferential treatment. [GR 5.3]

- Provides and annually reviews a centre policy on the **use of word processors** in exams and assessments

Word processor policy (exams)

The centre's word processor policy is located on the school website: -

<http://www.sjbc.wandsworth.sch.uk/attachments/download.asp?file=91&type=pdf>

A centre must have a policy on the use of word processors. A word processor cannot simply be granted to a candidate because he/she now wants to type rather than write in examinations or can work faster on a keyboard, or because he/she uses a laptop at home.

The use of a word processor must reflect the candidate's normal way of working within the centre. For example, where the curriculum is delivered electronically and the centre provides word processors to all candidates.

The centre may wish to set out the particular types of candidates which it considers would benefit from the use of a word processor. For example, a candidate with...

A member of the centre's senior leadership team must produce a statement for inspection purposes which details the criteria the centre uses to award and allocate word processors for examinations. [\[AA 5.8\]](#)

- Ensures criteria for candidates granted **separate invigilation within the centre** is clear, meets JCQ regulations and best meets the needs of individual candidates and remaining candidates in main exam rooms

Separate invigilation within the centre policy

Separate invigilation is determined by the SENCo. The SENCo uses assessments, evidence and obtains a picture of need for a particular student requiring this arrangement. Separate invigilation will only be granted in exceptional circumstances and only where an established normal way of working is evidenced by the SENCo.

For example, in the case of separate invigilation, the candidate's difficulties are established within the centre (see Chapter 4, paragraph 4.1.4, page 16) and known to a Form Tutor, a Head of Year, the SENCo or a senior member of staff with pastoral responsibilities.

Separate invigilation reflects the candidate's normal way of working in internal school tests and mock examinations as a consequence of a long term medical condition or long term social, mental or emotional needs. [\[AA 5.16\]](#)

A candidate may only take their examinations under separate invigilation within the centre where he/she has **an established difficulty** - see **section 5.16** of the JCQ publication *Access Arrangements and Reasonable Adjustments*... [\[ICE 14\]](#)

Senior Leaders, Head of department, Teaching staff

- Support the SENCo in determining and implementing appropriate access arrangements
- Provide a statement for inspection purposes which details the criteria the centre uses to award and allocate word processors for examinations

Internal assessment and endorsements

Head of centre

- Provides fully qualified teachers to mark non-examination assessments
- Ensures an **internal appeals procedure** relating to internal assessment decisions is in place for a candidate to appeal against and request a review of the centre's marking (see Roles and responsibilities overview)
- Ensures a **non-examination assessment policy** is in place for GCE and GCSE qualifications which include components of non-examination assessment (For CCEA GCSE centres this would be a controlled assessment policy)

Non-examination assessment policy

Overtyping here the location of the centre's policy or alternatively include as an appendix at the end of this document.

The centre will... have in place and be available for inspection purposes, a written policy with regard to the management of GCE and GCSE non-examination assessments; (For CCEA GCSE centres this would be a written controlled assessments policy.) [\[GR 5.7\]](#)

The JCQ requires each centre to have a non-examination assessment policy in place:

- to cover procedures for planning and managing non-examination assessments;
- to define staff roles and responsibilities with respect to non-examination assessments;
- to manage risks associated with non-examination assessments.

A JCQ Centre Inspector will ask the examinations officer to confirm that such a policy is in place. The guidance provided in this document will help the head of centre to ensure that the centre's policy is fit for purpose. The policy will need to cover all types of non-examination assessment.

Additionally, each centre must have available for inspection an internal appeals procedure relating to internal assessment decisions. [\[NEA 1\]](#)

- Ensures any irregularities relating to the production of work by candidates are investigated and dealt with internally if discovered prior to a candidate signing the authentication statement (where required) or reported to the awarding body if a candidate has signed the authentication statement

Senior leaders

- Ensure teaching staff have the necessary and appropriate knowledge, understanding, skills, and training to set tasks, conduct task taking, and to assess, mark and authenticate candidates' work (including where relevant, private candidates)
- Ensure appropriate internal moderation, standardisation and verification processes are in place

Head of department

- Ensures teaching staff delivering any remaining legacy GCE unitised AS and A-level qualifications (which include elements of coursework), AQA Applied General qualifications, OCR Cambridge Nationals, Entry Level Certificate or Project qualifications follow JCQ [Instructions for conducting coursework](#) and the specification provided by the awarding body

- Ensure candidates are aware of JCQ and awarding body information for candidates on producing work that is internally assessed (coursework, non-examination assessments, social media) prior to assessments taking place
- Ensure candidates are informed of their centre assessed marks as a candidate may request a review of the centre's marking before marks are submitted to the awarding body

Exams officer

- Signposts teaching staff to relevant JCQ *information for candidates'* documents that are annually updated

Invigilation

Head of centre

- Ensures relevant support is provided to the EO in recruiting, training and deploying a team of invigilators
- Ensures, if contracting supply staff to act as invigilators, that such persons are competent and fully trained, understanding what is and what is not permissible (and not taking on its own an assurance from a recruitment agency, that this is the case)
- Determines if additional invigilators will be deployed in timed Art exams in addition to the subject teacher to ensure the supervision of candidates is maintained at all times

Exams officer

- Recruits additional invigilators where required to effectively cover all exam periods/series' throughout the academic year
- Collects information on new recruits to identify if they have invigilated previously and if any current maladministration/malpractice sanctions are applied to them

- Provides training for new invigilators on the instructions for conducting exams and an annual update for the existing invigilation team so that they are aware of any changes in a new academic year before they are allocated to invigilate an exam

Application forms are given to the examinations officer along with the payment to process an application. Applications must be received prior to the awarding body deadlines.

Teachers and SLT are available on results day to help candidates understand their results and the post results services available to them.

Candidates have an examinations assembly and are issued with exam handbooks before examinations start along with their exam timetables. The handbook explains post results and the appeals process.

The centre will... have in place written procedures for how it will deal with candidates 'requests for access to scripts, clerical re-checks, reviews of marking, reviews of moderation and appeals to the awarding bodies. Details of these procedures must be made widely available and accessible to all candidates. Candidates must be made aware of the arrangements for post-results services before they sit any examinations and the accessibility of senior members of centre staff immediately after the publication of results... [GR 5.13]

The centre will... treat all candidates equally, including private candidates, throughout the examination process. This would also extend to post-results services and appeals [GR 5.6]

Seating and identifying candidates in exam rooms

Exams officer

- Ensures a procedure is in place to verify candidate identity including private candidates

Verifying candidate identity procedure

Candidates are checked by SLT/Examinations officer when they line up prior to an exam starting. The exam room and seat numbers for each candidate are displayed on the examinations noticeboard and reaffirmed during the line-up procedure. Private candidates are checked by the examinations officer who has checked and accepted the candidate. Private candidates will be required to bring photo id with them on exam days so as other members of staff can identify if necessary.

The centre will... verify the identity of all students that they enter for examinations or assessments. The centre must be satisfied that all candidate identities have been checked, whether as part of the initial registration process, or in the case of private candidates through a verification process which involves photo-ID [CR 5.6]

The centre will... have in place written procedures to verify the identity of all candidates at the time of the examination or assessment... [CR 5.9]

Invigilators must establish the identity of all candidates sitting examinations.

A private/external candidate or a transferred candidate who is not known to the school or college must show photographic documentary evidence to prove that he/she is the same person who entered/registered for the examination/assessment, e.g. passport or photographic driving licence.

Where it is impossible to identify a candidate due to the wearing of religious clothing, such as a veil, the candidate should be approached by a member of staff of the same gender and taken to a private room where they should be politely asked to remove the religious clothing for identification purposes. Centres must inform candidates in advance of this procedure and well before their first examination.

Once identification has been established, the candidate should replace, for example, their veil and proceed as normal to sit the examination.

Invigilators must be informed of those candidates with access arrangements. Invigilators must be made aware of the particular access arrangement(s) awarded. [ICE 16]

Overnight supervision arrangements policy

As a last resort where overnight supervision is required parents/carers and candidates are informed and the appropriate paperwork is completed and sent to the awarding body concerned. Candidates and Parent/Carer's are informed of the close supervision required and the need to escort the candidate home the evening prior to the re-scheduled exam and the escorting to the school building with a formal handover for the morning the exam is to take place which may be a Saturday if the clash happened to fall on a Friday. Candidates/Parents or Carers are made aware that there is no access to technology, mobile phones, house phones, TV, Radio, internet etc. (anything that may give content of the day's examination) during the supervision period. The candidate cannot meet with friends during the supervision. Candidates can use their notebooks or textbooks to revise. Any breaches will constitute a malpractice and the candidate will be disqualified and await a penalty from the awarding body.

Overnight supervision arrangements should only be applied as a last resort and once all other options have been exhausted...

...candidates may, at the centre's discretion, be allowed to take an examination the following morning, including Saturdays (see paragraph 8.5, page 14). Candidates are not allowed to take examinations on an earlier day than that scheduled on the timetable...

The overnight supervision arrangements **must** ensure that the candidate **does not** have advance warning of the content of the examination deferred until the following morning. This means the candidate **must not** meet or communicate with anyone who may have knowledge of the content. This includes any form of electronic communication/storage device, e.g. telephone (both landline and mobile), e-mail, Internet and social media. It also extends to television and radio, which could report key details of the day's examinations. [ICE 8]

- To inform HoY/HoD/SLT of the student's absence
- The EO to follow up with a letter requesting evidence if required for Special Consideration application
- The EO to follow up with an invoice for the cost of the exam if it is an unauthorised circumstance.
- Persistent absence from exams will be referred to SLT to arrange a meeting with the parent/carer and the candidate to establish any problems that could be supported by the school.
- A referral to the Education Welfare Service is made for candidates persistently absent.

Advice: Once candidates are seated and have started the examination, complete the attendance register. This will allow for the identification of absent candidates who can be contacted as to their whereabouts. [ICE 22]

Invigilators

- Are informed of the policy/process for dealing with absent candidates through training
- Ensure that confirmed absent candidates are clearly marked as such on the attendance register and seating plan

Invigilators

- Are informed of the policy/process for dealing with late/very late arrival candidates through training
- Ensure that relevant information is recorded on the exam room incident log

Candidate late arrival policy

Students that arrive late will book in with the attendance officer, who will call the examinations officer to collect the late candidate.

The late candidate will leave all their possessions with the examinations officer. The examinations officer will remind the candidate of the notice read at the beginning of exams and escort the candidate to the examination and brief the invigilators.

A card will be placed on the candidate's desk to remind the invigilators that the candidate was late and will finish at a different time to the rest of the examination cohort.

If a candidate is late parent-carers will be informed by the attendance officer.

If a candidate is persistently late the SLT/HOY/Parent-Carer will be informed and a meeting arranged with the Student and Parent-Carer to meet with the HOY and or SLT to establish any problems and try and find a resolution. A referral to the Education Welfare would also be made.

A very late candidate (1 hour after the JCQ published start time) is treated the same as a late candidate and given the opportunity to sit the examination. They will be met at the school reception by the exams officer and escorted to the exam room to ensure security at the school. The exams officer will explain that because they are so late they risk attaining 0 (zero) marks. After the exam the exams officer will meet with the student and obtain a full statement of the reason for lateness, parent/adult will be contacted for any further information and a statement will be typed up and shown to the student and sent to the awarding body via the CAP system (A very late form).

A candidate who arrives after the start of the examination may be allowed to enter the examination room and sit the examination. This is entirely at the discretion of the centre.

A candidate who arrives late, and is permitted by the centre to sit the examination, must be allowed the full time for the examination. [\[ICE 21\]](#)

- Ensures this additional/second check (which takes place in the secure room if a question paper packet has to be split or in the designated exam room if not) is recorded
- Where allowed by the awarding body, only releases exam papers and materials to teaching departments for teaching and learning purposes after the published finishing time of the exam, or until any timetable clash candidates have completed the exam

Exam rooms

- Ensures only authorised centre staff are present in exam rooms
- Ensures the centre's policy relating to food and drink that may be allowed in exam rooms is clearly communicated to candidates
- Ensures the centre's policy on candidates leaving the exam room temporarily is clearly communicated to candidates

Food and drink in exam rooms policy

A small 500ml bottle of water (with all labels removed) in a clear bottle is allowed. No other food or drink is permitted.

Medical evidence will be requested from the candidate if any other requirements are requested.

Food and drink may be allowed in the examination room at the discretion of the head of centre. However, this is on the condition that any food or drink brought into the examination room whether by the candidate or the centre is free from packaging and all labels are removed from drink containers [ICE 18]

Policy on candidates leaving the exam room temporarily

Candidates are reminded before all examinations to use the bathroom to avoid the need to leave the exam room. If a student is feeling unwell they need to let the examinations officer or a senior teacher know before the start of an exam so that measures can be put in place not to disrupt the exam for other candidates. If a student desperately needs to use the bathroom during an exam, the invigilator will call for assistance to have the student escorted to and from the bathroom. The member of staff assisting will not be involved with the subject being tested. The invigilator will keep a record of the interruption. Bathroom visits will not have the time taken added to the end of the exam unless the visit is due to illness.

Candidates who are allowed to leave the examination room temporarily **must** be accompanied by a member of centre staff. This **must not** be the candidate's subject teacher or a subject expert for the examination in question. Those candidates may be allowed extra time at the discretion of the centre to compensate for their temporary absence. [ICE 23]

Senior leaders

- Ensure a documented emergency evacuation procedure for exam rooms is in place
- Ensure arrangements are in place for a candidate with a disability who may need assistance if an exam room is evacuated

Emergency evacuation policy

The emergency evacuation policy is on the SJBC website. It is on the exit wall of examination rooms on exam days and it is in the invigilators folder for each examination.

The emergency evacuation policy:

<http://www.sjbc.wandsworth.sch.uk/attachments/download.asp?file=175&type=pdf>

The lockdown policy:

<http://www.sjbc.wandsworth.sch.uk/attachments/download.asp?file=177&type=pdf>

Emergency evacuation procedure

Invigilators are trained in this procedure and understand the actions they must take in the event of a fire alarm or other emergency that leads to an evacuation of the exam room.

Emergency evacuation procedure	
Actions to be taken (as detailed in current JCQ Instructions for conducting examinations section 25, Emergencies)	
Stop the candidates from writing	
Collect the attendance register (in order to ensure all candidates are present)	
Evacuate the examination room in line with the instructions given by the appropriate authority	
Advise candidates to leave all question papers and scripts in the examination room	
Candidates must be advised to close their answer booklet	
Candidates should leave the room in silence	
Make sure that the candidates are supervised as closely as possible while they are out of the examination room to make sure there is no discussion about the examination	
Make a note of the time of the interruption and how long it lasted	
Allow the candidates the full working time set for the examination	
If there are only a few candidates, consider the possibility of taking the candidates (with question papers and scripts) to another place to finish the examination (Candidates must be given the opportunity to sit the examination for its published duration)	
Make a full report of the incident and of the action taken, and send to the relevant awarding body	
Additional centre-specific actions to be taken	
The assembly point for examination candidates is the school car-park.	

When dealing with emergencies you must be aware of your centre's policy and, where appropriate, any instructions from relevant local or national agencies.

Reference should also be made to the following document -

<https://www.gov.uk/government/publications/bomb-threats-guidance/procedures-for-handling-bombthreats>

You must have a written centre policy for dealing with an emergency evacuation of the examination room, which will be subject to inspection by the JCQ Centre Inspection Service.

[ICE 25]

Site staff

- Ensure exam rooms are available and set up as requested by the EO
- Ensure grounds or centre maintenance work does not disturb exam candidates in exam rooms
- Ensure fire alarm testing does not take place during exam sessions

Invigilators

- Conduct exams in every exam room according to JCQ *Instructions for conducting examinations* and/or awarding body requirements and as instructed by the centre in training/update and briefing sessions

Candidates

- Are required to follow the instructions given to them in exam rooms by authorised centre staff and invigilators
- Are required to remain in the exam room for the full duration of the exam

Irregularities

Head of centre

- Ensures any cases of alleged, suspected or actual incidents of malpractice or maladministration before, during or after examinations/assessments (by centre staff, candidates, invigilators) are investigated and reported to the awarding body **immediately**, by completing the appropriate documentation

Managing behaviour in exam rooms procedure

The process for managing candidate behaviour in exam rooms is:

- For the invigilator to alert the EO/SLT by walkie-talkie.
- Invigilators to write up the incident in the incident log provided
- Mr Dunne is to decide whether a student needs to be removed from the exam room so as not to disturb other candidates
- A report may be sent to the awarding body to penalise the candidate in serious incidents.

Where a candidate is being disruptive, the invigilator must warn the candidate that he/she may be removed from the examination room.

The candidate must also be warned that the awarding body will be informed and may decide to penalise them, which could include disqualification.

The invigilator must record what has happened... The head of centre has the authority to remove a candidate from the examination room, but should only do so if the candidate would disrupt others by remaining in the room. [\[ICE 24\]](#)

Senior leaders

- Ensure support is provided for the EO and invigilators when dealing with disruptive candidates in exam rooms
- Ensure that internal disciplinary procedures relating to candidate behaviour are instigated, when appropriate

Exams officer

- Provides an exam room incident log in all exam rooms for recording any incidents or irregularities
- Actions any required follow-up and reports to awarding bodies as soon as practically possible after the exam has taken place

Invigilators

- Record any incidents or irregularities on the exam room incident log (for example, late/very late arrival, candidate or centre staff suspected malpractice, candidate illness or needing to leave the exam room temporarily, disruption or disturbance in the exam room, emergency evacuation)

Candidates

- Provide appropriate evidence to support special consideration requests, where required

Unauthorised materials

Arrangements for unauthorised materials taken into the exam room

There should be no unauthorised material in the examination room as adequate facilities are provided. (A locked room dedicated to examinations, only opened prior and after an examination). Any unauthorised materials brought into the exam room and handed into an invigilator will be stored at the front of the examination room out of reach and returned to the candidate after the examination is finished. If unauthorised materials are not handed to an invigilator and the JCQ instruction before examinations has been read out requesting that the candidates hand anything inappropriate to the invigilator they will be reported to the examining body in line with JCQ regulations.

In the examination room candidates must not have access to items other than those stated in the instructions on the question paper, the stationery list or the specification for that subject. Potential technological/web enabled sources of information such as... are not permitted... ideally, all unauthorised items are left outside of the examination room... any pencil cases taken into the examination room must be see-through... any unauthorised items that have been taken into the examination room must be placed out of reach of the candidates (and not under their desks) before the examination starts. This would normally be at the front of the examination room or a similar arrangement that enables the invigilator to control access to the items... If candidates have access to unauthorised items in the examination room this may be considered as malpractice. They could be subject to penalties in accordance with the JCQ publication *Suspected Malpractice in Examinations and Assessments: Policies and Procedures* - <http://www.jcq.org.uk/exams-office/malpractice>

The invigilator, prior to the examination starting, must ensure that candidates have removed their wrist watches, placing them on their desks.

A head of centre may, if he/she so wishes, prohibit candidates bringing a wrist watch into the examination room. Candidates would be required to leave their watches outside of the examination room. [ICE 18]

Results day programme

Results days are communicated to the candidate by letter with the times of school opening and closing. The letter will also include a form for the candidate to sign if they are unavailable on results day and wish a family member to collect them on their behalf. Results will only be issued to candidates. Written permission and photo-id will be required for anyone other than the candidate to collect results. Any results not collected will be posted to the candidates address at 12 noon on results day. The dates for results day are also on the school website.

 - The students are informed once all the certificates have arrived (mid-November) that they may collect them during school hours (term time) and to collect them within one year.
 - Students sign a register “collection of certificates” and are told that they are their possession so any damage or loss of certificates will be their responsibility to manage in the future.
 - A list is kept of the certificates not collected and destroyed confidentially
- (GR 5.14)

Candidates

- May arrange for certificates to be collected on their behalf by providing the EO with written or email permission/authorisation; authorised persons must provide ID evidence on collection of certificates

Retention of certificates policy

- The certificates are locked and filed and available for collection (signed for) at the main reception.
- Certificates are to be collected within one year of receipt (November to November).
- Any certificates not collected are listed in accordance with awarding body guidelines. Certificates are to be shredded after one year.
- A list is kept of the certificates not collected and destroyed confidentially
