

**An open invitation to all former students of Salesian College
and St John Bosco College Battersea**

As a former student of Salesian College or St John Bosco College you are a valued member of our wider Salesian, school community and we would love to keep in touch with you.

There has been a wonderful tradition of Salesian Education here in Battersea for over 100 years and we want to harness the wealth of experience and talent that has benefitted from that education to support the young people in our school today.

We would be delighted if you could get in touch with us and let us know how you are getting on and what you have achieved since you left school. We are building up a network of ex-pupils to launch an Alumni Group via the school's webpage and hoping to link into the traditions of the Old Salesians Association.

Please can you fill in as much of the questionnaire below as you can and return it by email to alumni@sjbc.wandsworth.sch.uk or by post to the school address marked 'alumni'. It would be very much appreciated if you could also send through a photo of yourself to accompany the questionnaire – either a current one or one with you still in school uniform!

If you would like to come into school to have a look around, see how it compares to your time here and meet some of our staff and students just email or call to arrange a time.

We look forward to welcoming you back!
