2. Summary

Please outline your main strengths (any sections you put as green). Share anything else that is relevant you have not yet had the chance to share.

Below that is the opportunity to reflect on your areas for improvement (either amber, or red). It would be useful for you to begin to research into the sections which are red, and develop your skills in the amber sections. Please include details of this in the section below.

My main strengths are...
My main areas for improvement are...
The main lessons I have learnt from my journey to 6 th form are...

Targets

By the end of 6th form I want to have achieved...

--

In 10 years, I want to have achieved...

--

In order to succeed in both of these I will...

--
