

Pupil Voice for FAP

Name: Shamar Grant

Date: 21/09/2021

The things I like about school are: The lessons that I have, for example Pe. Pe is my favourite subject. I like some of my friends and I enjoy lunchtime in the playground. I enjoy learning

The things I am good at or interest me are:

I am good at ... Writing stories, basketball

I am interested in ... basketball, I enjoy reading

The things I found difficult at my last school were:

Getting along with some of the teachers

Maths,

Even though enjoy learning, I get annoyed with some students in my class and get easily distracted

The things I am looking forward to at my new school

New friends, a fresh start, classes

I want people to know that/ My aspirations are

To do well in school. Once I do well in school, I can do anything!
