

St John Bosco College: Year 11 to Year 12 Transition Work 2023

Dear Student,

In this booklet is the work that has been set by your teachers to support you with the transition from Year 11 to Year 12. The shift from GCSE to post-16 content is significant and it is essential you complete this work on time to ensure you are prepared for your post-16 studies.

Please complete **all** the work for your chosen three subjects by **Monday 11th September**. This can be submitted to your subject teachers via Microsoft Teams or on paper. This work has been designed for you to complete independently and you should need any other resources to complete it.
