## **Attendance Policy**

**Reviewed June 2024**

Signed (Chair of Governors).....

## **Commitment to Attendance and Punctuality**

Regular school attendance and good punctuality keep children safe and supported. Research clearly demonstrates the link between regular attendance and educational progress and attainment. We are committed to encouraging and supporting parents in ensuring their children achieve maximum possible attendance and that any problems that prevent this are identified and acted on promptly.

## **Parent Responsibility and The Law**

The Education Act 1996 Part 1, Section 7 states:

The parent of every child of compulsory school age shall cause them to receive sufficient full-time education suitable--

- To their age, ability and aptitude and
- To any special needs they may have

either by regular attendance at school or otherwise.

For educational purposes the term parent is used to include those that have parental responsibility and/or those that have the day-to-day care of the child.

The legislation that pertains to children who are of compulsory school age and are registered at school is contained within this Act. Part V1 Section 444 contains the details of when an offence is committed if a child fails to attend school.

**The Senior Leader responsible for attendance is Patrick Sullivan.** He can be contacted on the school phone number. Families should contact the student's Form Tutor or Head of House in the first instance to discuss attendance and punctuality concerns. Where rates of attendance relate to special needs this should be discussed with the SENCO or key worker.

## **Registers**

Under the provision of the Education Act 1996 (s434) and the Student Registration Regulations 1995 the school must keep an attendance register.

Any child who is absent from school at the morning or afternoon registration period must have their absence recorded as being authorized, unauthorized or as an approved educational activity [attendance out of school]. Only the Headteacher or a member of staff acting on their behalf can authorise absence. If there is no known reason for the absence at registration, then the absence must be recorded in the first instance as unauthorised.

## **Categorisation of Absence**

Any pupil who is on roll but not present in the school must be recorded within one of these categories.

### **Unauthorised absence**

This is for those pupils where no reason has been provided, or whose absence is deemed to be without valid reason, for example:

- Parents/carers keeping children off school unnecessarily
- Absences which have never been properly explained
- Unacceptable reasons such as shopping, looking after other children or birthdays
- Long periods of illness without medical evidence.
- Holidays taken during term time

### **Authorised absence**

This is for those pupils who are away from school for a reason that is deemed to be valid under the Education Act 1996.

### **Approved Educational Activity**

This covers types of supervised educational activity undertaken off site but with the approval of the school.

*Note: Pupils recorded in this category are deemed to be present for attendance returns purposes.*

This would include:

- Work experience placements
- Field trips and educational visits
- Sporting activities
- Link courses or approved education offsite
- Most types of dual registration with other approved educational providers

### **Registration & Lateness**

The school day begins at 8.35am with lesson 1 at 8.40am. Morning registration will take place in the line up and at the start of lesson 1 and is done by the class teacher.

Students arriving after 8.40am must report to the attendance office where they will be booked in and marked as late to school on the AM register. Students who arrive late to school in the morning without an acceptable explanation are likely to face a sanction.

In cases for example, where the absence at registration was for attending an early morning medical appointment, and evidence is provided, the appropriate authorised absence code will be entered.

Students who arrive after the registers have closed without a good reason will be marked as an unauthorised absence, using code U. Where this is a regular occurrence families will be contacted, targets for improvement set with the potential for fines to be issued by the Local Authority.

In cases where unexplained absences are recorded that affect the overall attendance of a student, the parents can be fined by the Local Authority, or referred to the Educational Welfare Service, resulting in possible court action being taken.

If a child is absent for any reason, it is the responsibility of the parent to notify the school. However, if the child is absent and no reason has been provided the following procedure will apply:

#### First Day Absence

The school will send a message to families notifying them of any absences (or lateness) on the morning of the absence and any subsequent day of absence.

The registers are checked daily and contact made with families where a student is absent for 3 days or more without explanation.

#### Ten Days Absence

If a student is absent without an explanation for 10 consecutive days, this will be notified to the Local Authority. This is a legal requirement. The school will include details of the action that they have taken. The Educational Welfare Officer will lead this process.

#### Return to School

Where a child is absent from school, the following procedure will be followed for welcoming them back. If they've been off for one day, the tutor welcomes them back and checks they are ok. If they are off for a few days, further communication from the tutor will be made. Parents should support students with keeping in touch with school work through the subject by subject curriculum plans and resources published on the school website. For longer term absences a meeting with the Head of House will take place and a more formal reintegration will be implemented with a plan to catch up, some sessions may be provided where the student is given support by the Pastoral team.

#### Frequent Absence

Whilst any child may be off school because they are ill, sometimes they can be reluctant to attend school. Any problems with regular attendance are best sorted out between the school, the parents and the child. If a child is reluctant to attend, it is unhelpful to cover up their absence or to give in to pressure to excuse them from attending. This gives the impression that attendance does not matter and usually makes things worse.

Where the school is concerned by the number of absences for illness, which cannot be explained by a proven medical condition; evidence will be requested and further absences will not be authorised. This will generally be where a student has attendance below 90% for a period of a term or more. The school is unlikely to authorise absences where a student's attendance is below 90% without medical evidence or a truly exceptional circumstance.

Education Welfare meets with school staff on a weekly basis to discuss attendance concerns. Serious and chronic attendance concerns will be referred to the Educational Welfare Service.

#### **Reporting absence / authorising absence**

The school operates a trust relationship with families and will generally accept bone fide messages and information in good faith. However, the school will request medical evidence for absences over 5 days or where the threshold for persistent absence has been met (below 90% attendance) for any absence prior to authorising these.

### **Persistent Absence (PA)**

A pupil becomes a 'persistent absentee' when they miss 10% days of school across the academic year, regardless of the reason. Absence at this level is considerably damaging to a child's educational prospects and we need parents' full support and cooperation to tackle this.

The school monitors all absence thoroughly. Any case that is seen to have reached the PA mark or is at risk of moving towards that mark is given priority and parents will be informed of this.

PA pupils are tracked and monitored carefully through our pastoral system, and this is combined with academic mentoring where absence affects attainment. When a student reaches PA status and the school-based interventions have not worked, when absence is unexplained this could lead to a Fixed Penalty Notice being issued by the Local Authority. A referral to the EWS will be made.

### **Failure to ensure regular school attendance**

The Education Welfare Service may also issue a Penalty Notice to parent / carers who are failing to secure their child's regular school attendance and are not engaging with supportive measures to improve attendance proposed by the school or Education Welfare Officers. Before a Penalty Notice is issued, parents will be warned of their liability to receive such a notice.

### **Persistent poor punctuality**

Persistent late arrival at school has a damaging effect on a child's education and is a safeguarding risk. Parents are expected to ensure that their child attends school on time each day. Persistent late arrival to school will be treated with the same importance as persistent absence and if parents fail to engage with the school or take reasonable steps to support and improve their child's punctuality then the school will refer the case to the Education Welfare Service for follow up.

### **Exceptional Leave of Absence**

There is no automatic entitlement in law to time off in school time to go on holiday. School will only authorise leave of absence in term time in exceptional circumstances and not for holidays.

Where a parent wishes to request a leave of absence, a formal request must be made, in writing using our proforma available on the website and as an appendix to this policy, to the Head Teacher who will consider the application on behalf of the Governors. Consideration will then be given to the student's previous school attendance and that the time requested does not exceed 10 school days in any one academic year.

If a holiday is taken without prior authorisation by the school it will be considered as an unauthorised absence and is likely to result in a referral to the EWS.

### **Penalty Notices for Holidays:**

In line with the guidance from the DfES, holidays during GCSE, Mocks and other external exam periods will not be authorised by the school and a Penalty Notice may be issued.

The Headteacher can now request that the Local Authority issue a Penalty Notice to parents, when students are taken out of school for 5 or more days holiday or leave of absence without school authorisation.

The amount payable on issue of a Penalty Notice is currently £60 per parent, if paid within 21 days of receipt of the notice, rising to £120, per parent, if paid after 21 days but within 42 days.

If the Penalty Notice is not paid within 42 days, the Local Authority is then obliged to prosecute for failing to ensure regular school attendance.

### **Truancy Patrol**

When a student comes to the notice of a Truancy Patrol, the student's pattern of school attendance is investigated. If there are unauthorised absences in the preceding 4 months, a warning letter may be sent to the parent / carers. If there are further unauthorised absences during the subsequent 15 schooldays, a Penalty Notice will be issued to each parent / carer.

If there is no significant improvement in attendance in the 3 subsequent weeks, a Penalty Notice will be issued. Again, the Penalty Notice fines are as follows:

£60 per parent, if paid within 21 days of receipt of the notice, rising to £120, per parent, if paid after 21 days but within 42 days

If the Penalty Notice is not paid within 42 days, the local authority is then obliged to prosecute for failing to ensure regular school attendance.

### **The Education Welfare Officer**

Education Welfare monitors the attendance and punctuality of all children on a weekly basis. The Education Welfare Officer (EWO) will work with school staff and parents to promote good attendance and investigate reasons for absence.

If attendance and punctuality problems cannot be resolved by school, then the school will make a referral to Education Welfare. The EWO will try to resolve the situation but if attempts to improve attendance have failed and unauthorised absence persists, the EWO can use sanctions such as parenting contracts, penalty notices and prosecution.

Failure to ensure regular school attendance, under Section 444 of the Education Act 1996, could result upon conviction in a magistrate's court, to a fine not exceeding £2500 or a term of imprisonment not exceeding three months, or both.

## Appendix 2 – Request for Exceptional Leave of Absence

### Exceptional Leave of Absence – request

There is no automatic entitlement in law to time off in school time to go on holiday. **The school will only authorise leave of absence in term time in exceptional circumstances and not for holidays.**

Where a parent wishes to request a leave of absence, a formal request must be made, using this form. The Head Teacher will then consider the application on behalf of the Governors. **Consideration will then be given to the student’s previous school attendance and that the time requested does not exceed 10 school days in any one academic year.**

If a holiday is taken without prior authorisation by the school it will be considered as an unauthorised absence and is likely to result in a referral to the Educational Welfare Service. In line with the guidance from the DfES, holidays during GCSE, Mocks and other external exam periods will not be authorised by the school and a Penalty Notice may be issued. The Headteacher can now request that the Local Authority issue a Penalty Notice to parents, when students are taken out of school for 5 or more days holiday or leave of absence without school authorisation.
