

Working with SJBC to support your child, a guide for parents

At St John Bosco College, we believe it's vital that:

- Working in partnership with parents to support their child's learning
- Create a safe, respectful and inclusive environment for pupils, staff and parents
- Model appropriate behaviour for our pupils and parents at all times

**To help us do this, we set clear expectations and guidelines
on behaviour for all members of our community especially parents and carers.**

We expect parents, carers and other visitors to:

- Respect the ethos, vision and values of our school (RUAH)
- Work together with staff in the best interests of our pupils
- Treat all members of the school community with respect – setting a good example with speech and behaviour
- Seek a peaceful solution to all issues
- Take responsibility for monitoring pupil's online conduct as well as their conduct in the community
- Correct their own child's behaviour (or those in their care), particularly in public, where it could lead to conflict, aggression or unsafe conduct
- Approach the right member of school staff to help resolve any issues of concern – please refer to the home school policy <https://www.sjbc.wandsworth.sch.uk/page/?title=Policies+of+the+School&pid=27>
- Use the school as a mediator for issues between pupils and not to engage in conflict away from the school environment
- Trust the judgement of staff members when reporting issues regarding pupils and not to jump to conclusions based off previous interactions

Behaviour that will not be tolerated:

- Disrupting, or threatening to disrupt, school operations (including school events on and off the school grounds)
- Swearing, or using offensive language
- Displaying a temper, or shouting at members of staff, pupils or other parents
- Threatening another member of the school community
- Sending abusive messages to another member of the school community, including via text, email or social media

- Use of physical punishment against your child while on school premises
- Questioning the integrity of members of staff either online or in-person
- Any aggressive behaviour (including verbally or in writing) towards another child or adult
- Reprimanding another person's child – please bring any behaviour incidents to a member of staff's attention
