3 June 2026

Dear Parents and Carers,

Re: Pre-Public Examinations (PPEs) June 2026

As we are coming to the end of the academic year 2025-2026, I would like to thank you all for your work in supporting the school and our children in making a memorable year here at St John Bosco College. Throughout the academic year, Year 12 students have impressed staff with the high-quality work they are producing in this first year of 6th Form and their active engagement in lessons.

Our second set of Pre-Public Examinations (PPEs) will be from Monday 22 June to Friday 26 June. The PPEs are a fantastic opportunity for the students to demonstrate what they have learnt this year and for teachers to measure their progress and attainment. They also allow students to gain valuable experience of taking exams under timed conditions.

Please find below the examination timetable for your child's year group which can also be found on the school website and on Teams.

To guide your child in what to revise, revision lists and resources for each examination will be placed in each subject's Year 12 team page in MS Teams. Please support us and your child by ensuring they are revising regularly and using the material which has been posted on Teams. Please do talk to them about what they are learning each day and ask specific questions about the details of their revision; one of the best ways for them to learn is to teach you!

If you would like to find more out about what your son/daughter has been learning this half term in their lessons, you can access each department's curriculum map using the following link: [St John Bosco College - Curriculum Offer \(sjbc.wandsworth.sch.uk\)](http://sjbc.wandsworth.sch.uk)

Year 12 PPE Timetable

- All Year 12 students are on leave during this week and only need to attend school for their allocated exam/supervised coursework session.
- Year 12 students must arrive each day 30 minutes before their scheduled exam/coursework session begins, so by 8:30am for a morning exam and 12:30pm for an afternoon exam.
- Students with morning and afternoon exams/coursework sessions can stay in school and revise in the 6th form centre.

Exams results for all year groups will be shared with parents through the Parent Portal and Arbor app. Please do not hesitate to contact your child's tutor if you have any questions about this process.

Yours faithfully

Mr Scott

Assistant Headteacher
